Training & Education Coordinator   **2014-2018**
Designed, organized, delivered, and evaluated educational programming for Pima County judicial employees, in compliance with the requirements of the Arizona Code of Judicial Administration.

- Statewide instructor, "Introduction to Implicit Bias"
- Author, "Drug-Free Workplace" computer-based training
- Treasurer, Joint Council on Court Education

mindfish
Instructor, Curriculum Developer   **2012-2014**
Edited SAT and ACT exam curriculum for immediate national distribution. Taught hybrid courses in SAT, ACT, PSAT, SAT Subject Tests, and high school math in individual and small group settings. Average score improvement for students over 2012-2014 academic years was over 200 points for SAT and over 3 points for ACT.

Denver Public Schools (Denver Center for International Studies at Montbello)
Math Fellow   **2011-2012**
Taught supplemental curriculum to enhance traditional ninth grade math instruction as part of the Far Northeast school turnaround initiative (Intensive Tier). Over one academic year, ninth grade students achieved a 67 percent increase on math scores, by median growth percentile. This improvement placed DCISM students in the 82nd percentile of ninth grade students in the district.*
